

Hi again everyone, back from the "Wilds" of Efrika, just in time for Winter! At least the weather's been quite kind recently.....

Firstly, this is a notification of the Club AGM, to take place at Ugley Village Hall, on Monday 5th December, starting at 8pm (or 20h00 hours if you prefer!). I have attached the draft Agenda, so if anyone has anything they'd like discussed, or any Proposal they'd like to make, please contact me so you can have your say. Remember, it's YOUR AGM for YOUR Club!

Any/all Committee positions are still open/available for anyone who would like to have more of a say in the running of the Club, or indeed would like to contribute to its running in any way. There has been one nomination for Membership Secretary though anyone else is still able to volunteer, should they wish.

Not a lot of Club and Member news this month, although we extend a warm welcome as always, to any new joiners; we have recently had an influx from neighbouring Clubs/areas which is encouraging to see; we do have a really good flying site and it's nice to see a healthy sized active Membership.

Our Newsletter man, Mike Moylan, is still unwell at home, now recuperating from a major operation recently. We wish Mike a speedy recovery and hope to see him at our meetings and out at Hadstock once he's well enough. I'm sure Mike would appreciate a visit from any of the Members if they're in the area, though please phone first to ensure he's at home and well enough! (24, Station Street, Saffron Walden).

Our Harlow colleagues have invited us to join them on Friday 4th November for a Club talk, to be given by the guys from RCM Direct (purveyors of a wide range of electric RC items, many aimed at Indoor and Park-fliers). This will be at the Moot House Social Club, The Stow, Harlow, at 8pm.

Well that's it for now, remember if you have any news of interest to Club Members, please contact me so I can include it in the Newsletter. Best Regards and hope to see you on Friday.

Remember, our next meeting is at the Village Hall, on Monday 7th November, so see you there toooooooooooooooooo!

Bill Michie

Club Sec
